THE SAN DIEGO CAKE CLUB

General Information and Membership Form

San Diego Cake Club

History

The club was formed in 1981 by Evelyn Scott. She was a home Economics teacher for 17 years, a Girl Scouts leader, and a trainer of other leaders. She loved cake decorating and being able to share her knowledge with others. She held the position of California State Representative for ICES and went on to hold an office on the ICES Board of Directors. To most people who had the privilege to know her, "Ev" was an icon.

Purpose

The purpose of our organization is to share, promote, encourage, and enlarge the appreciation of cake decorating and the many other forms of confectionery art.

Annual Cake Show

"Confections for a Cause" is more than just a cake show. Cakes, chocolate and sugar art pieces, and live demonstrations fill a busy weekend in early March each year as well as raise funds to help our designated charity, Ronald McDonald House. Cake and sugar artists from near and far bring and exhibit their artistry for everyone to admire and enjoy. Expert judges are also on hand to determine winners and awards in a number of categories. There is a Cupcake Corner for the kids where they can try their hand at decorating and then eat their creation! A raffle of wonderful donated gift baskets rounds out the weekend. This is a true labor of love put on by the club and is a big hit each year.

Membership

Dues are collected annually in January for the purpose of supporting the general expenses of running the club.

Meetings

Club meetings are the first Monday of each month at 7:00 p.m. (unless there is a holiday then the meeting would be on the 2nd Monday) Each meeting consists of dinner at 6:30 (donated by a member) for \$5, followed by the general business meeting at 7:00. After the meeting, a demonstration of skill or other sugar art technique is presented along with dessert. We also have a 50/50 drawing each month, a door prize brought by whoever won it the previous month, and "scholarships" which are given quarterly by random drawing. We have a great time visiting and sharing and hope you will come and join in the fun. Meeting location:

"Do It With Icing"
7240 Clairemont Mesa Blvd.
San Diego, CA 92111

Newsletter

Our newsletter is published monthly and is sent to all club members via email or mailed if a member doesn't have email. Each issue is filled with recipes, helpful hints, patterns, and confectionery art information contributed by members of the San Diego Cake Club, California Cake Club, and International Cake Exploration Societé.
